CORRAL

*Coleman High School
Coleman, Texas*

1969

We, the Corral staff, now tell it like it was, the record of events and happenings that have taken place this year.

There were times of happiness, times of sadness, times of victory, times of defeat, and most of all, moments of memories.

Throughout this year, we have seen a striking combination of the old and the new. The old traditions with the new ideas; the old classrooms with new subjects; the new principal and new teachers. As we journey the road to the future, we hesitate to discard the past and yet we eagerly look forward to the new and exciting ideas and changes which are made possible only by dedication and a strong determination to better our school for ourselves and for those who follow us.

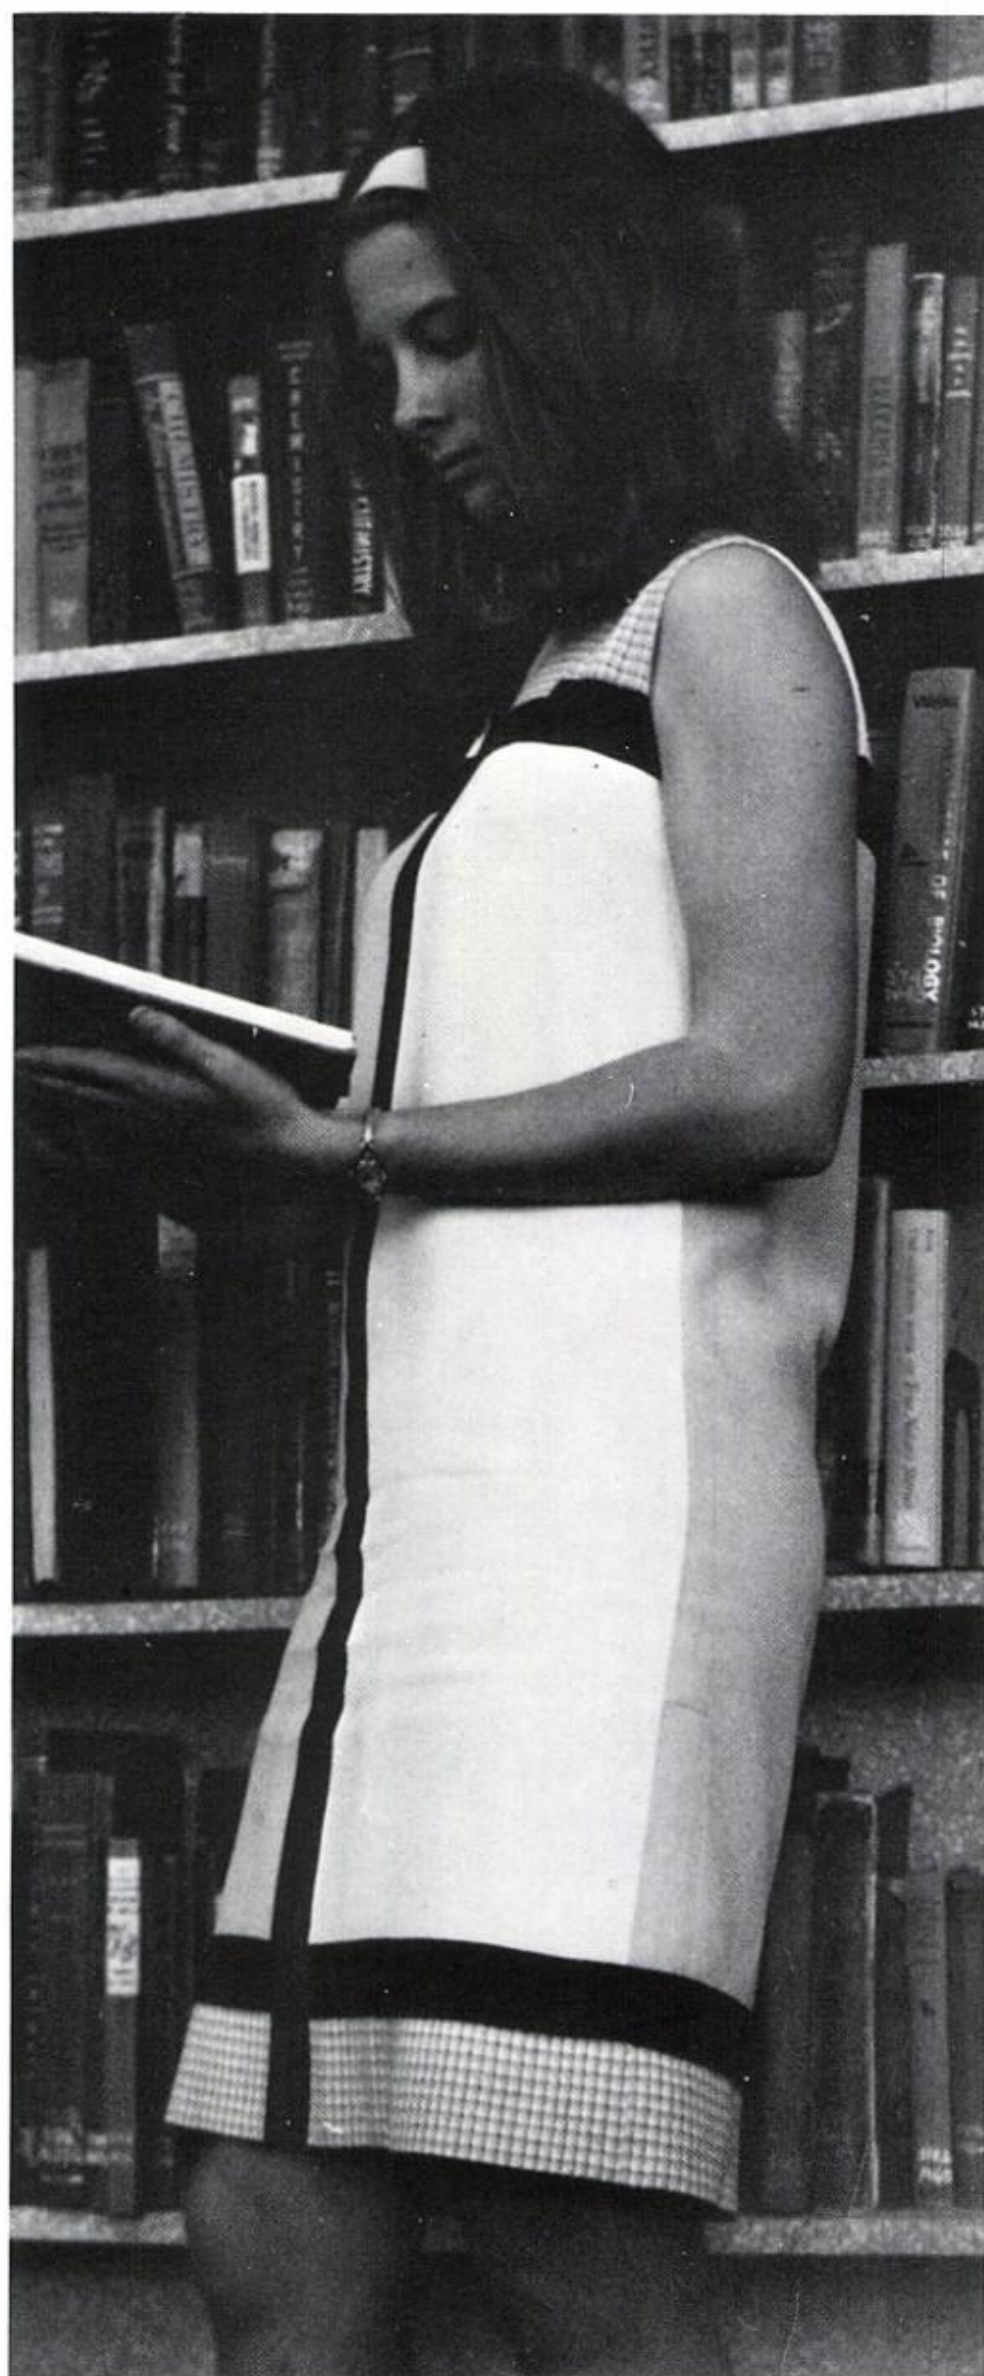

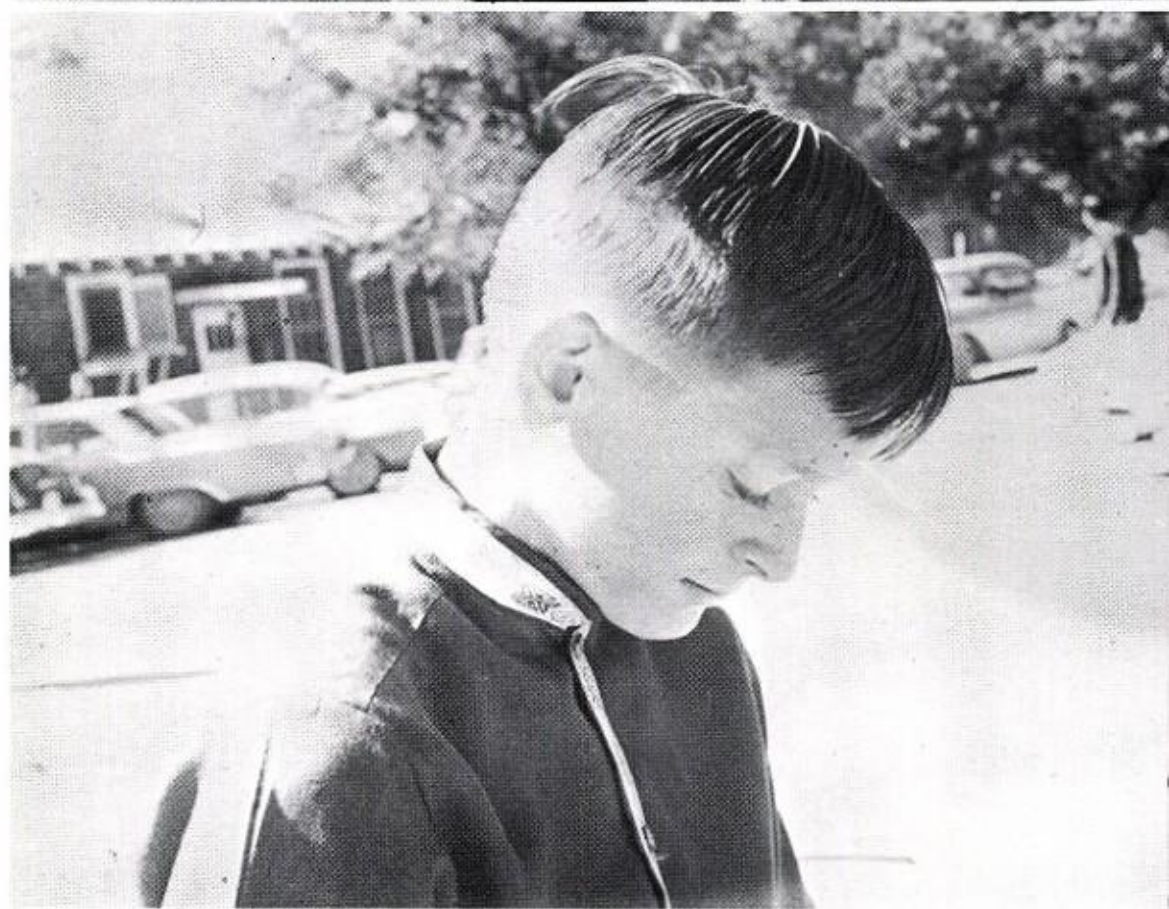

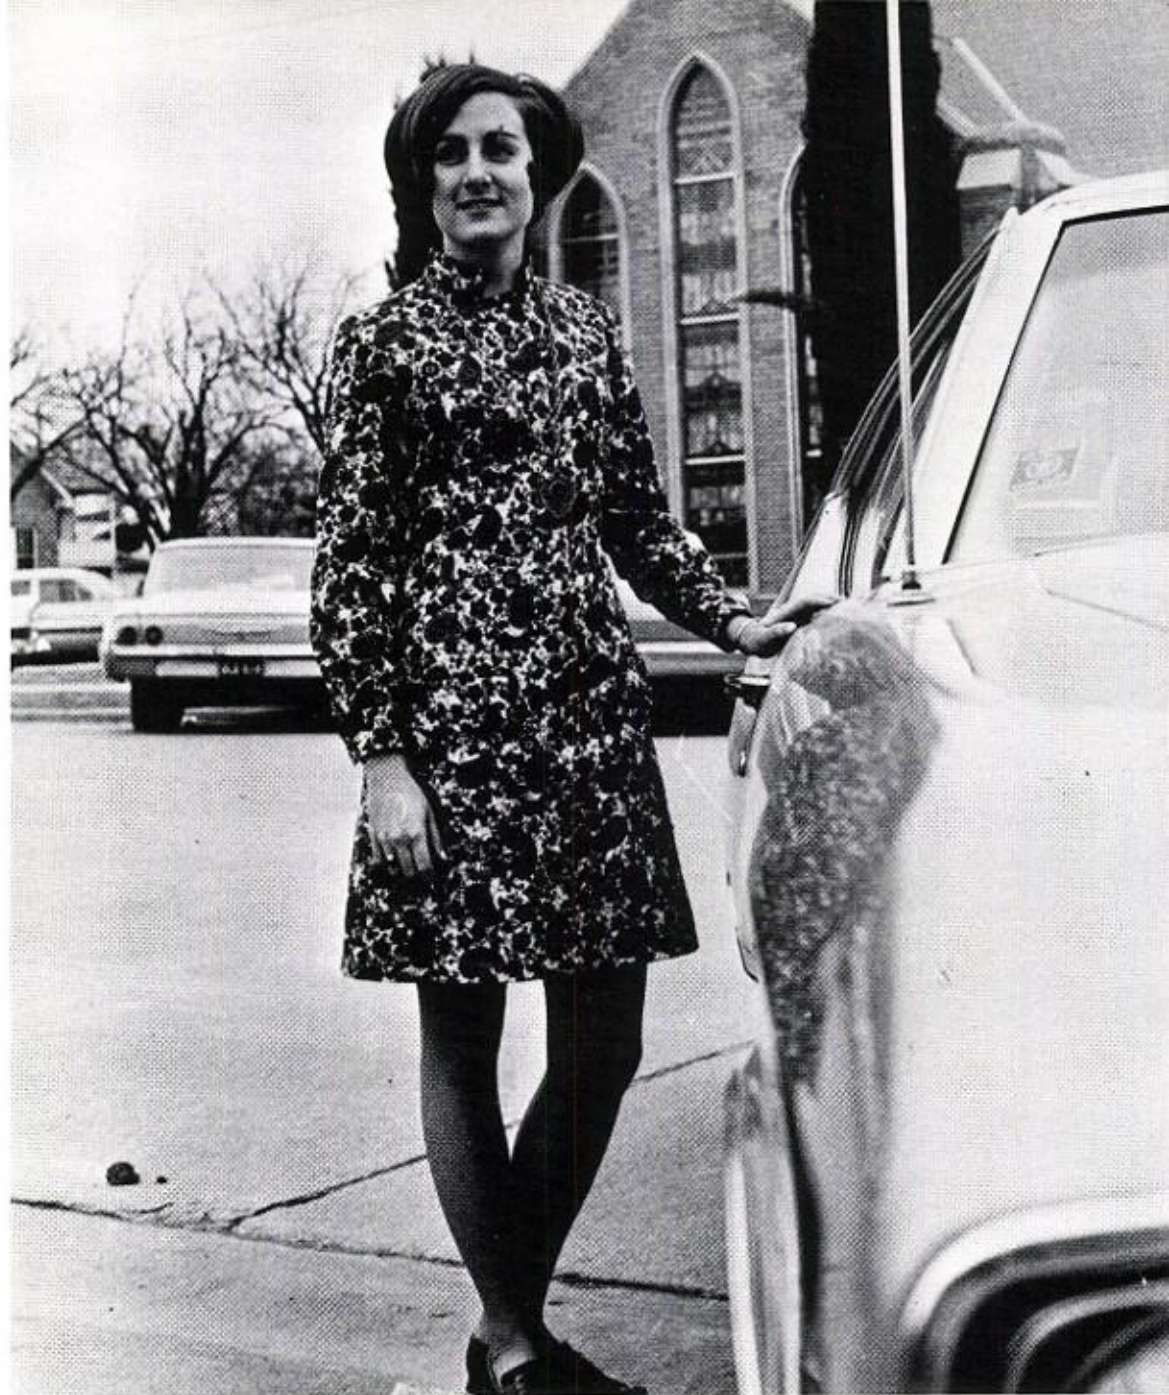

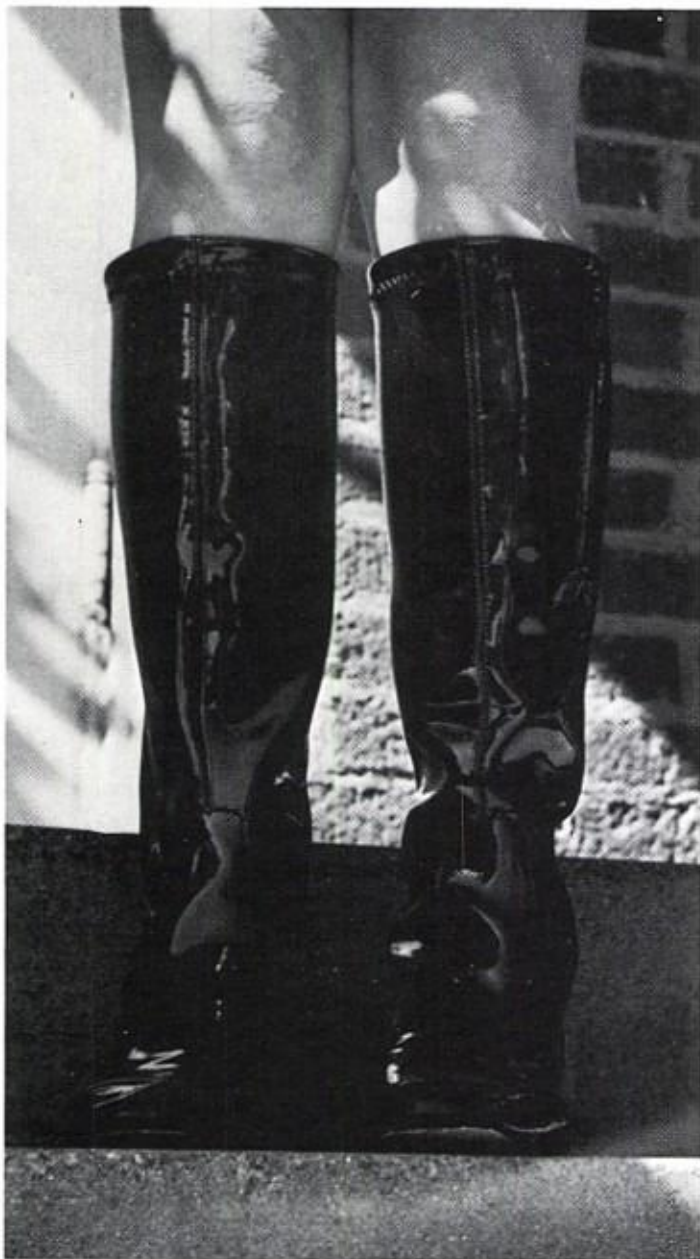

With an eye to the future, C.H.S. has initiated a new program, modernizing the curriculum to enable today's students to gain the skill and knowledge to become better men and women prepared to succeed as leaders and citizens of tomorrow's complex and ever-changing world.

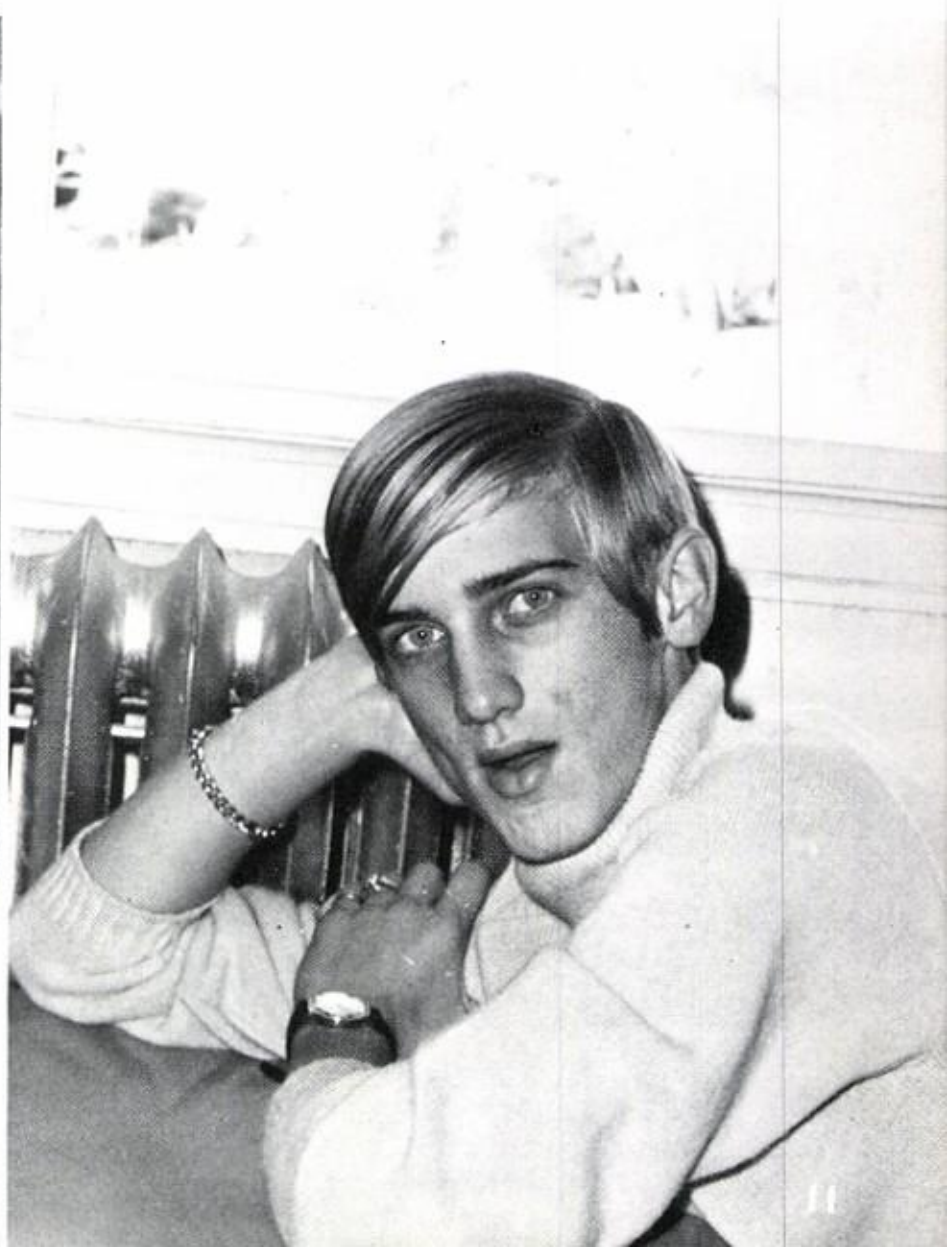

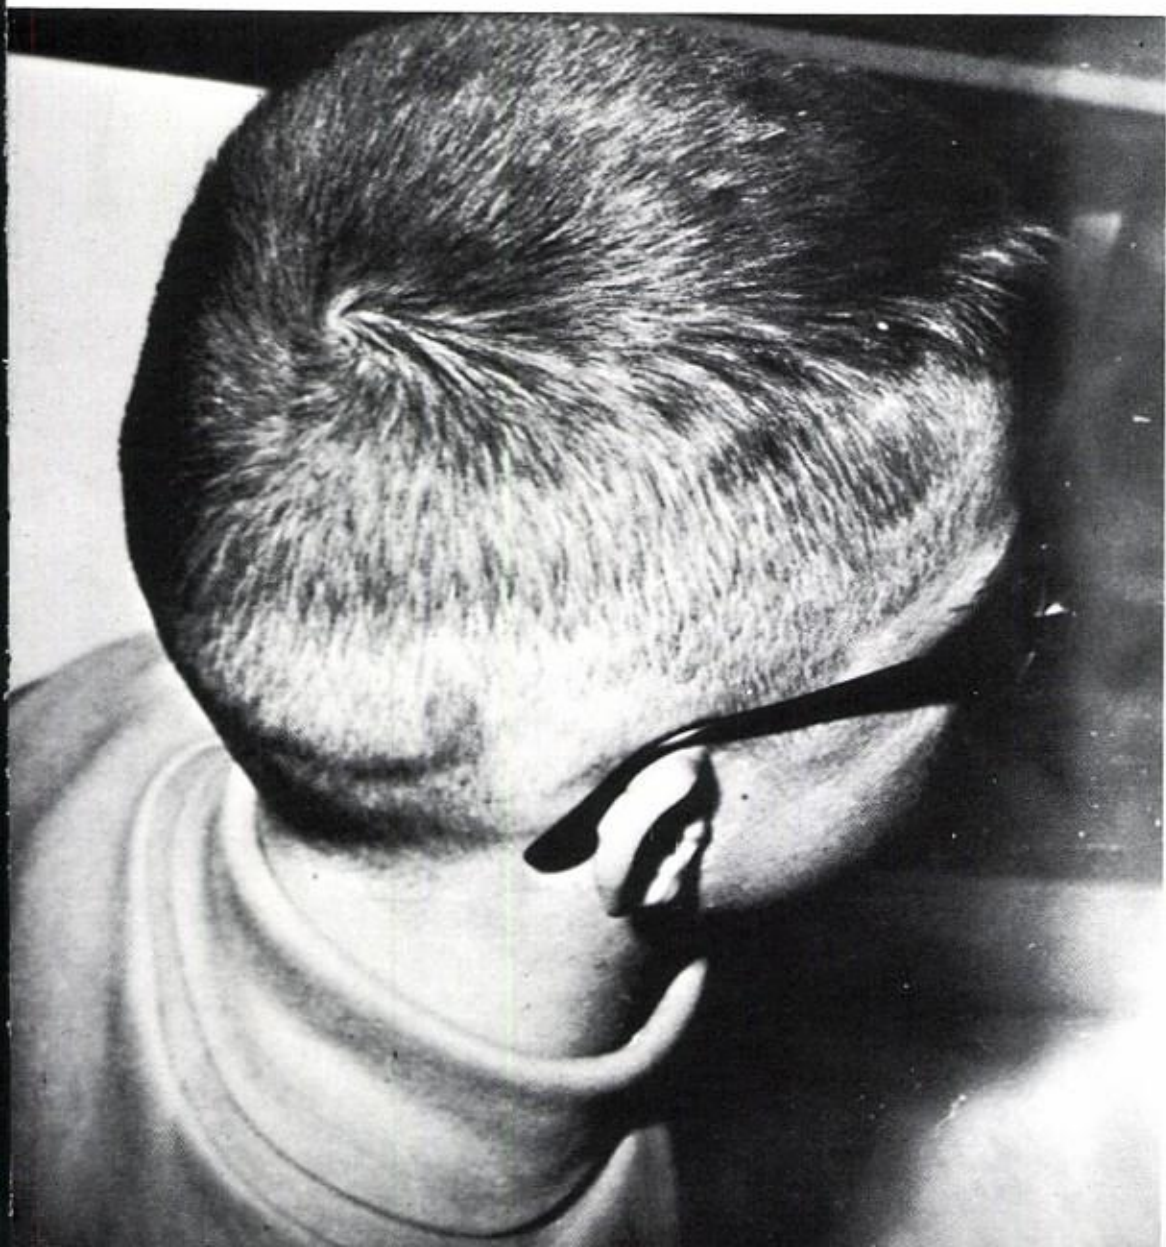

Clothing fashions are always topics of interest at C.H.S. This year's new apparel is exceptionally eye-catching.

Nehru shirts, funny shoes, and patent leather boots really add up to the total look.

The new "In" look at C.H.S. is focused on hair — smooth, sleek, long, short, straight, and all one length. Either cascading down shoulders or cropped above the ears, this year's hairstyles are destined to leave their mark.

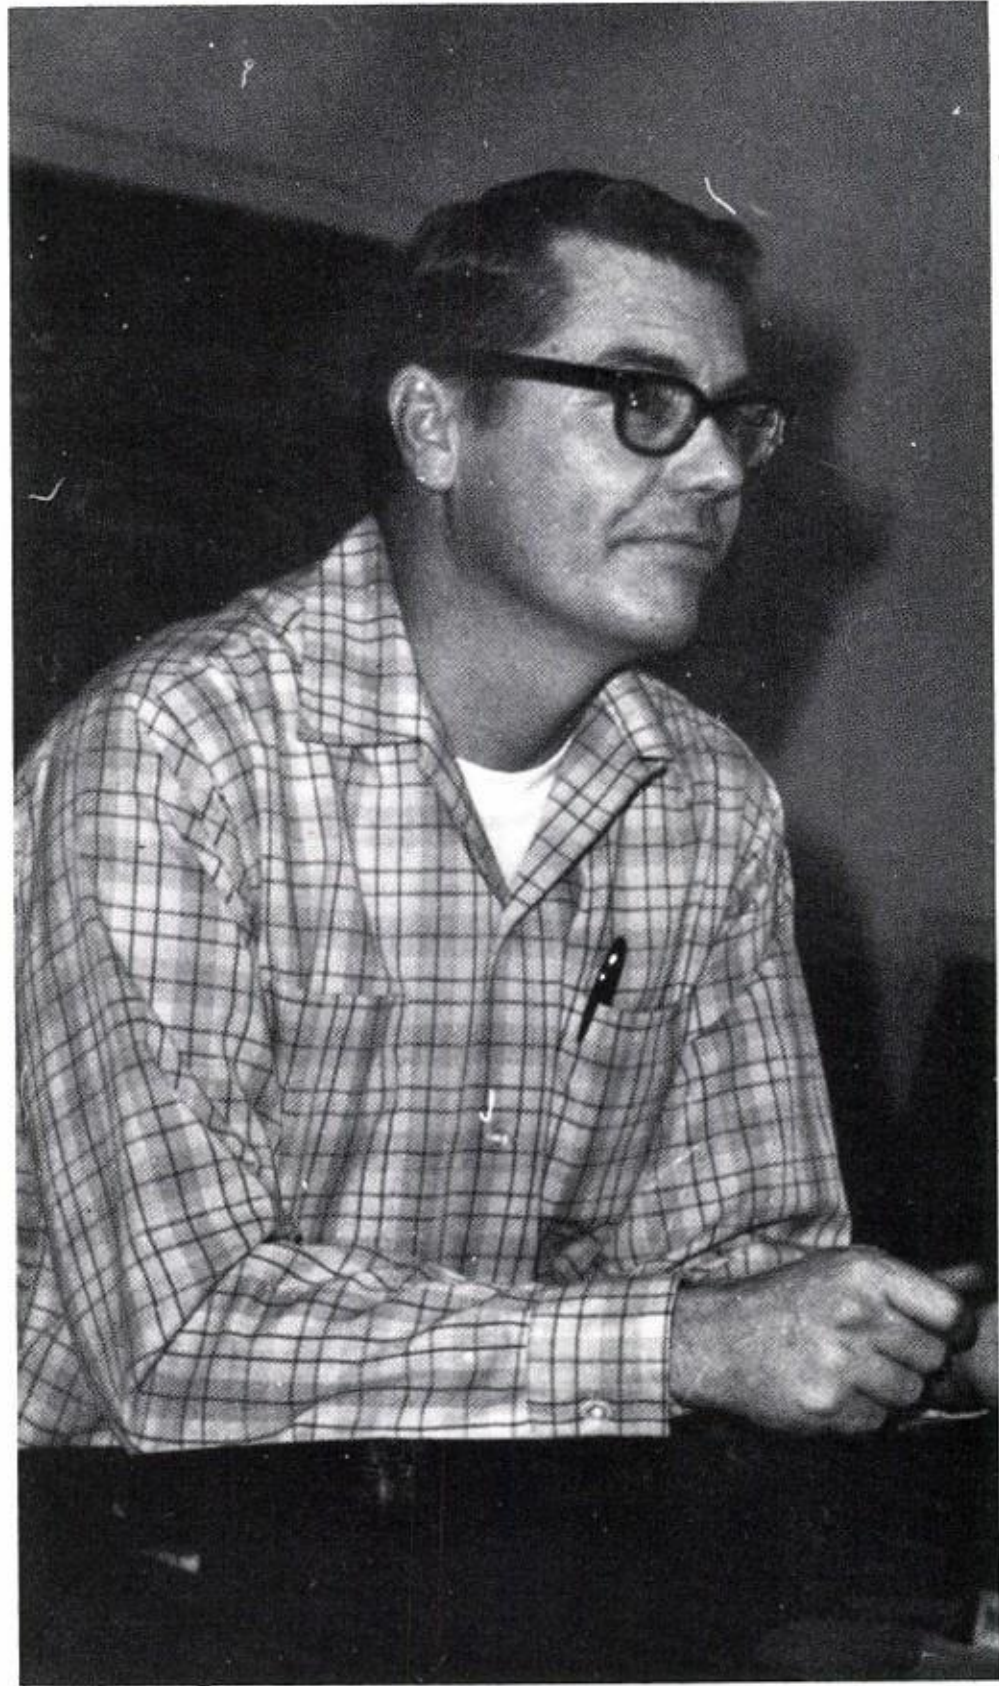

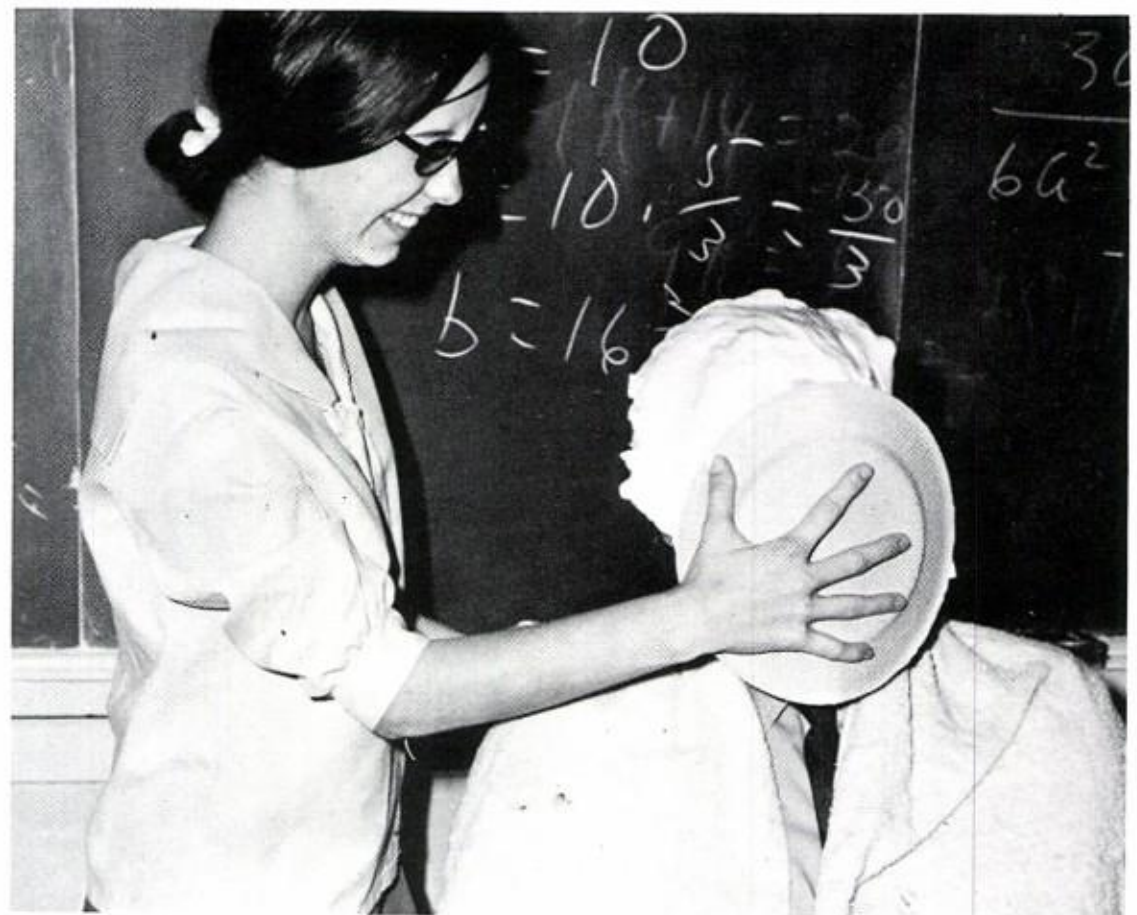

What makes the
world go 'round?
Hands!!

In action they express
excitement, appreciation,
quench thirst, and
create music.

ORGANIZATIONS . . .

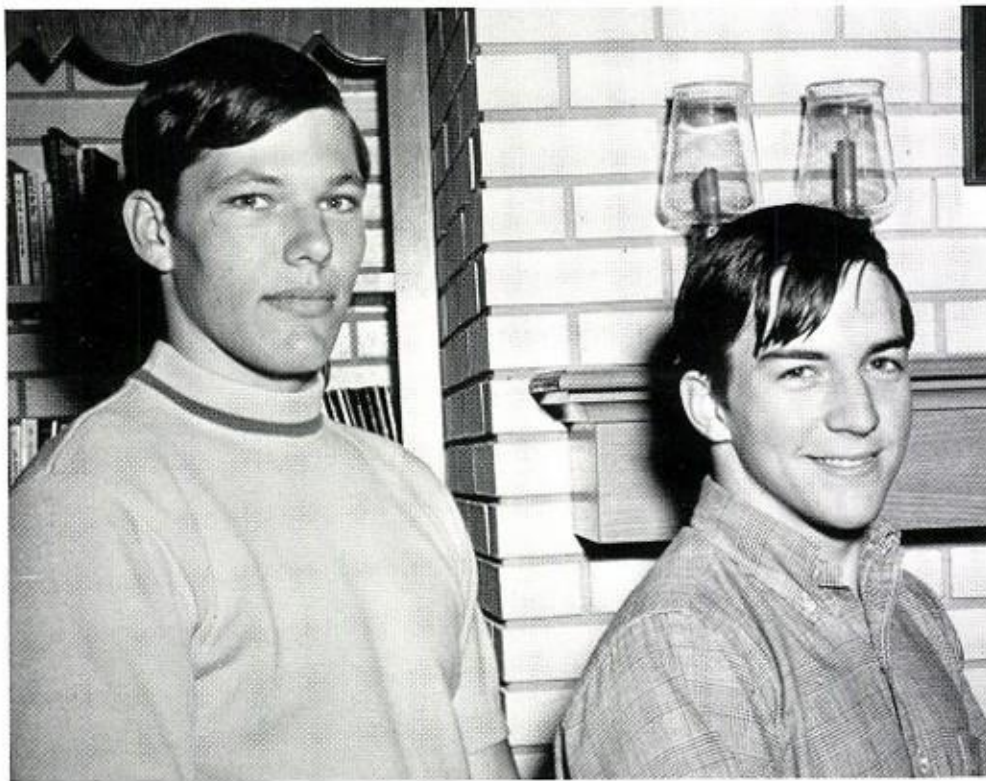

Before school, at lunch during study halls, after school, at night, and on week-ends, the Corral staff worked to meet that ever-threatening deadline. Through hours of planning, picture-taking, cropping, copy-writing, and checking, staff members piece together the history of the year involving each individual in the school. The efforts of the Corral staff are rewarded when the fruits of their labors are presented to you - the student body.

CHS Cheerleaders

Heighten Spirit

The 1968-69 cheerleaders did a fine job of arousing school spirit in Coleman High. They attended cheerleader Clinic at Tarleton during the summer. While there, they won four first place ribbons in competition and the SPIRIT STICK three times. Many tedious hours were spent practicing, making posters and locker surprises, and making money for the cheerleader fund. Money-making projects included selling ribbons, having car washes, and keeping a booth at the County Fair.

This year the Coleman High Kat-etts did much to promote school spirit. Each week they placed new signs in the gym for the Friday pep rally and made car posters for each football player. They attended every game and sold programs at all home-town football games. Mrs. Barbara Swagerty is to be commended for the great job she has done in making the pep squad one of the finest organizations of CHS.

Christian Council Encourages Christian Living

This year the Christian Council played an important role in CHS. Besides giving Monday morning devotions and prayers at football and basketball games, the Christian Council was responsible for acquiring a preacher for the football team before each game. The Council also gave religious programs at Thanksgiving, Christmas, and Easter. During Christmas, the group challenged the classes to a toy drive between the classes. The Christian Council is an important part of CHS.
